

The new  
Theatershow for  
Kids AND  
Adults

# Alchemy

The Science of turning Bubbles into Art

# Prof. Bubbles Alchemy

The Science of turning Bubbles into Art

This visually stunning show combines physical comedy, visual magic and poetic clowning to create a unique theatre experience for families.

The show is easy to put on: one artist and one technician create mesmerising effects on stage. With minimal language a world full of playful scenes unfolds that inspires without words - from the first pop to the furious finale.

## Bursting Bubbles with Laughter

Director: Faser Hooper

Duration: approx. 60 Min.

Language: EN/DE (minimal)

Age: From 5 years

Audience: Kids AND Adults

## About the Performer

**Julian Bell** - is an Australian entertainer with over 20 years stage experience. He has performed in over 25 countries - from festivals, theatre stages and circus tents to international corporate events. He has lived in Germany since 2012.
